

The Packard Condominium
FHA Approved

The Packard Condominium has received FHA Approval. That means it has met certain standards pertaining to financial requirements, percentage of rentals to owner occupied units, absence of special assessments, governing documents, rules and regulations and more. This approval can, among other things, make securing financing or refinancing easier for owners and buyers.

The U.S. Department of Housing and Urban Development has assigned to The Packard Condominium ID number A008476 for the purposes of its FHA Approval. Further information on this approval can be obtained at the HUD website's listing of approved condominium projects. Go to <https://entp.hud.gov/idapp/html/condlook.cfm> click on "FHA Approved Condominiums – HUD", enter the above Condo ID number in the search form and press "send".
